

REMARKS

Applicant has carefully studied the outstanding Official Action mailed on May 28, 2008. This response is intended to be fully responsive to all points of rejection raised by the Examiner and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application are respectfully requested.

Claims 1, 2 and 56 stand objected due to informalities. These claims have been corrected by appropriate amendment (claim 2 in our version already said “a net influx” and not “an net influx”).

Claims 8-14, 17-19 and 28-31 stand rejected under 35 USC 112, second paragraph for lack of antecedence. The claims have been corrected by appropriate amendment.

Applicant notes with gratitude the allowance of claims 1, 2, 6, 7, 29-32 and 39-57. With the above amendments, it is believed claims 8-14, 17-19 and 28 would also be allowed.

Applicant’s representative apologizes for the unsuccessful attempt to make contact by phone. Perhaps it was not clear that “972” is the country code for Israel. In any case, as stated previously, Applicant permits email correspondence with Applicant’s representative, especially for clarifying points to lead to allowance of the application.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

DEKEL PATENT LTD.
